++

Minutes

WASH Quarterly Reports

- 13 partners responded; need for ministries and agencies to report
- NWSHPC considering posting names of organizations still outstanding
- Sector needs database of NGOs with location and activities; MIA could be doing this at county level

GOL Allocation for WASH Funds Utilization

- USD \$3.4m in general claims, to be competed for
- MOHSW was not asked to prepare numbers for this meeting; other ministries and agencies not present

Update on the Executive Order

- National Water and Sanitation Board Executive Order drafted, to be sent to Ministry of State
- President's Office called meeting for tomorrow on topic
- Must be passed when Legislature is in recess
- Ideally have it signed by end of October

SSP Thematic groups

- Each lead coordinator should provide a brief update at next WASH Coordination mtg

## 2014 Joint Sector Review

- JSR Steering Committee to be reestablished and meet on November 1st

## Updates on World Water Day and Planning for Future Water Events

- Water Day: Liberia WASH Consortium created press release
- Handwashing Day notice was too late for partners to fully engage
- World Toilet Day is on November 19<sup>th</sup>; Liberia WASH Consortium to chair advocacy task force

## AOB

- WSP introduced new staff
- Reminder that CLTS meetings held every 2<sup>nd</sup> Thursday of month, 2PM at Old MOHSW
